

SESSION 13

Team SCAMPER

Unit 3 · SCAMPER Technique for Innovation

120 minutes · studio · COs 109.3, 109.2

THE ONE IDEA

Run the prompts in silence first, then talk.
Reverse that order and the loudest person's grid becomes the team's grid.

WHY IT MATTERS

1 **Silent first, always**

Each member fills the whole grid alone before anyone speaks.

2 **Then merge, prompt by prompt**

Compare Substitute rows before anyone touches Combine.

WHAT TO DO WITH IT

3 Disagreement means the row is alive

Two different answers on one prompt is better than four identical ones.

4 Pick the problem carefully

Real, specific, and one nobody at the table has already solved.

TODAY YOU WILL

Working in groups, apply SCAMPER to a real-world business or tech problem.

Marathi or Hindi · 60 minutes

TO CLOSE

Pitch

Three minutes. The person, the stuck, the idea, the picture, the ask.

Critique

I like... / I wish... / What if... — the idea, never the person.

Idea log

One page. Silent. Box 4 is the one you read again in week 15.
