

SESSION 15

Final Pitch and the Look-Back

Unit 3 · SCAMPER Technique for Innovation

120 minutes · studio · COs 109.2, 109.3, 109.4

THE ONE IDEA

You owe the owner an answer, not a report.

WHY IT MATTERS

1 **What changed**

Not the business — you. Fifteen weeks ago you asked different questions.

2 **The hand-back is short**

One page, in the owner's language, saying what you saw and what you would do first.

WHAT TO DO WITH IT

3 **No jargon**

Not one word from this course appears in the hand-back. No SCAMPER, no BOI, no mind map.

4 **One recommendation**

Not five. The one you would stand behind if they did it and it failed.

TODAY YOU WILL

Assemble your portfolio and write the one-page hand-back you will give your owner.

TO CLOSE

Pitch

Three minutes. The person, the stuck, the idea, the picture, the ask.

Critique

I like... / I wish... / What if... — the idea, never the person.

Idea log

One page. Silent. Box 4 is the one you read again in week 15.
